The Jt. CEO (TAGG/TOPS)  
Sports Authority of India  
New Delhi, India.

Sir,

Kindly refer to our earlier email regarding participation in the 5th World Taijiquan Championship. As we are running short of time, your kind consideration and approval of our request is urgently required. Any further delay will place us in an awkward position with respect to the remaining selected players and their overall preparation for the championship.

It is, therefore, once again requested that the team may kindly be sanctioned as per our proposal at the earliest. Failing this, we will be left with no option but to withdraw the team from participation in the championship. In case the proposal is not agreed to, we respectfully request that for future events, Sports Authority of India may consider conducting the selection trials through a selection committee other than WAI and assess performances as per its own criteria.

It is also submitted that in previous events, curtailment of players and coaches has been carried out without prior notice, which places us in an awkward position, despite our updating the lists and directives on the website as per the directions of the Ministry of Youth Affairs and Sports. However, for participation in championships duly approved by the International Wushu Federation and the Wushu Federation of Asia, we are bound to follow their regulations.

It is also pertinent to mention that reduced international exposure for players who are probable for the Asian Games will adversely affect their psychological preparedness and overall performance at the continental level.

We request your kind and urgent intervention in this matter

**Yours Truly**

**Jitender Singh Bajwa  
President**
